DATE

Thursday, November 24–Saturday, August 26, 2011

LOCATION

The Palacio de Exposiciones y Congresos de Granada
Paseo del Violón S/N
18006 Granada, Spain

ATTENDANCE

The conference is expected to attract nearly 500 attendees.

Attendees will include scientists, applied researchers, undergraduate and graduate students, teachers, parents and consultants.

Registration is open to association members and nonmembers through the association's website. Credentialed members of the news media may attend free of charge with advanced approval. Contact Martha Hübner (contact information above) for details.

PROGRAMS

This event will encourage the dissemination of behavior analysis in Spain and facilitate collaboration among, and networking opportunities for, behavior analysts internationally.

Presentation topics include autism, ADHD, mental illness, gambling, alcohol/drug abuse, industrial/organizational behavior management, behavioral pharmacology, developmental disabilities, education and animal training, among many others.

ABOUT ABAI

The Association of Behavior Analysis International (ABAI) is a nonprofit professional membership organization with the mission of developing, enhancing and supporting the growth and vitality of behavior analysis through research, education and practice. Founded in 1974, the association has over 6,300 members worldwide. Its affiliated chapters have a total membership of over 14,000 worldwide.
