travisthompson2@comcast.net

DATE

Friday, January 27–Sunday, January 29, 2012

LOCATION

Philadelphia Marriott Downtown
1201 Market Street
Philadelphia, PA 19107

ATTENDANCE

The conference is expected to attract over 700 attendees.

Attendees will include scientists, applied researchers, undergraduate and graduate students, teachers, parents, and consultants.

Registration is open to association members and nonmembers through the association's website. Credentialed members of the news media may attend free of charge with advanced approval. Contact Travis Thompson (contact information above) for details.

PROGRAMS

This conference will feature research and best practices of relevance to the treatment of children and adults on the autism spectrum. In addition to invited presentations by distinguished scholars, attendees will have the opportunity to review current research at two poster sessions. Conference attendees will also be able to browse a bookstore and exhibit booths.

ABOUT ABAI

The Association of Behavior Analysis International (ABAI) is a nonprofit professional membership organization with the mission of developing, enhancing and supporting the growth and vitality of behavior analysis through research, education and practice. Founded in 1974, the association has over 6,300 members worldwide. Its affiliated chapters have a total membership of over 14,000 worldwide.
