### EVENT

ABAI 38th Annual Convention

### DATE

Friday, May 25–Tuesday, May 29, 2012  
(Memorial Day Weekend)

### LOCATION

Washington State Convention Center  
800 Convention Place  
Seattle, WA 98101

### ATTENDANCE

The convention is expected to attract over 4,500 attendees from about 40 countries.

Attendees include scientists, applied researchers, undergraduate and graduate students, teachers, parents and consultants.

Registration is open to association members and nonmembers through the association's website. Credentialed members of the news media may attend free of charge with advanced approval. Contact Ramona Houmanfar and Raymond Pitts (contact information above) for details.

### PROGRAMS

The program includes content from nearly 1,500 submissions, including posters, panels and symposia, papers, invited addresses, invited tutorials, business meetings, reunions, special events, expo posters, and workshops.

Presentation topics include autism, ADHD, mental illness, gambling, alcohol/drug abuse, industrial/organizational behavior management, behavioral pharmacology, developmental disabilities, education and animal training, among many others.

### ABOUT ABAI

The Association of Behavior Analysis International (ABAI) is a nonprofit professional membership organization with the mission of developing, enhancing and supporting the growth and vitality of behavior analysis through research, education and practice. Founded in 1974, the association has over 6,300 members worldwide. Its affiliated chapters have a total membership of over 14,000 worldwide.
